EMPLOYMENT HISTORY

Expert Investors, Noida
Business Development Manager

Jan2023-Nov2024

Responsibilities:

- Led a team of X sales and business development executives, providing training, guidance, and performance evaluations to achieve monthly and quarterly targets.
- Identified and pursued new property acquisition, leasing, and sales opportunities, driving revenue growth and market share.
- Built and maintained strong relationships with builders, brokers, investors, and corporate clients to generate leads and close high-value deals.
- Conducted market research and competitor analysis to identify emerging trends, pricing strategies, and potential business opportunities.
- Designed and implemented sales strategies and marketing campaigns to increase property visibility and attract new clients.

Le Meridien, New Delhi
Hospitality Intern

Jun2022-Dec2022

Responsibilities:

- Assisted in the daily preparation and service of beverages, bakery items, and light meals in a luxury coffee shop setting.
- Supported the live kitchen team by preparing and presenting quick-service dishes and beverages in front of guests, ensuring high standards of hygiene and presentation.
- Greeted and interacted with guests, providing a personalized service experience in line with 5-star hospitality standards.
- Monitored inventory and stock levels of coffee beans, syrups, bakery items, and kitchen supplies; reported shortages to supervisors.
- Ensured compliance with food safety, sanitation, and HACCP standards throughout preparation and service.
